Insulation @ MER's

Attention: David Meyers

G-18

Gentlemen:

Be advised that we shall, with your approval, insulate all remaining slabs of the Mechanical Equipment Rooms with spray on insulation.

Insulation shall be 1½" CAFCO spray with Mark II overspray.

Applicators shall be Mario and DiBono.

This substitution to be effected with no change in contract price.

Please be guided accordingly.

Yours truly,

STAR CIRCLE WALL SYSTEMS, INC.
